## NEIGHBOURHOOD DEVELOPMENT PLAN

### WINKFIELD NEIGHBOURHOOD DEVELOPMENT PLAN (WNDP) UPDATE

Thank you to all of you who completed the questionnaire at the end of last year. We had a phenomenal response from the 6,500 homes and businesses within the Parish. By the survey close date 1,413 valid responses had been received: 541 online and 872 on paper.

The Summary Report is now available to view on the WNDP website – [www.winkfieldnp.org](http://www.winkfieldnp.org)

The WNDP Steering Group is made up of representatives from the communities within the Parish of Winkfield. They continue to work tirelessly towards our end goal – the adoption of a Neighbourhood Plan for the Parish of Winkfield which will help to influence

- the type, design and mix of new development.;
- the location of development (where this is not already specified in detail in the Local Plan).

The most successful NDPs are led by the community and thus the Steering Group is always keen to welcome new members so if you would like to get involved please do make contact with the Parish Office – **01344 885110/** [info@winkfieldparishcouncil.gov.uk](mailto:info@winkfieldparishcouncil.gov.uk)

The Steering Group is now working towards the production of draft policies to be incorporated into the Plan using all the evidence gathered to date. Once the draft policies are completed there will be further public consultation.

### Chavey Down Pre-School

Chavey Down Pre-School is pleased to announce that it received **OUTSTANDING** for its recent Ofsted inspection. This is such good news.

We offer a safe, secure and stimulating environment for children aged between 18 months and 5 years. The children partake in all key developmental topics and activities with an extensive fun-packed curriculum, including learning through the use of carefully selected sensorial equipment, craft, music and group time.

All the staff are DBS checked and the school is a member of the Pre-School Learning Alliance and work towards – and constantly keep updated on – the Early Years Foundation Stage Government guidelines.

Opening times: Monday to Thursday 9am – 3pm  
Friday 9.30am – 1pm

If you would like to visit Chavey Down Pre-School, or if you wish to enrol your child, please telephone Kate Sillett on 07917 422909 or email [katesillett@btinternet.com](mailto:katesillett@btinternet.com)

### ANNUAL PARISH MEETING

The Annual Parish Meeting will be held on Tuesday 25<sup>th</sup> April 2017 at 7.30pm at Carnation Hall – all residents are invited to attend.

There will be an update by Sir Andrew Morris OBE, Chief Executive, Frimley Health NHS Foundation Trust on the changes and implications to the delivery of local health services. This will also be a great opportunity for you to find out what the Parish Council has achieved over the past 12 months.

The evening will be followed by light refreshments and the opportunity to meet your local Councillors.

Visit our website [www.winkfieldparishcouncil.gov.uk](http://www.winkfieldparishcouncil.gov.uk)

### LOCKS RIDE CAFÉ

WPC has applied to BFC for permission to install a refreshment unit at Locks Ride. A decision is awaited. If successful, it is hoped that the facility will be in place for the Summer season.

### KING GEORGE V—NEW PLAY EQUIPMENT

WPC is planning to replace the existing play equipment at King George V Recreation Ground to provide modern, challenging, accessible and inclusive play for the local community. Preliminary discussions have been held with Winkfield St Mary's school children to determine the type of equipment that would appeal and further consultation will be held with local residents in the near future.

### NEW MEMBER OF THE TEAM

We welcome Liza Challis, a new Administrative Assistant working in the afternoons. Liza will be a point of contact for bookings, allotments, Neighbourhood Development Plan and sports activities/memberships.

### CARNATION HALL

The beautiful Carnation Hall is a wonderful community facility. It is available to hire for children's birthday parties, evening functions and ad-hoc

engagements, such as quizzes and fetes.

WPC is in the process of applying to extend the licence for weekend bookings to increase its diversity.

### MAY DAY FAIR

This year's May Day Fair will be held at Carnation Hall on Monday 1st May from 12pm—4pm.

A fun event for the whole family with stalls, refreshments and entertainment. All proceeds will go to a local charity.

### REMEMBERING CLLR ALAN KENDALL

The new development on the site of The Gold Cup on Fernbank Road has now been officially named as Kendall Rise. The name was suggested by Winkfield Parish Council to commemorate Cllr Alan Kendall, former WPC Chairman and Bracknell Forest Mayor who sadly passed away in 2014.

### 2017/2018 PRECEPT

WPC has finalised its budget for 2017/18 and the charge per band D property has been set at £68.96.

### PAUL'S GARDENING CORNER - GINKGO BILOBA

This remarkable tree is the sole survivor of an ancient group of trees that date back to beyond the time of the dinosaurs. It has fascinated me since I was a boy! *Ginkgo biloba* is native to China: traditionally planted in temple gardens in the East, the seeds were brought to Europe in the 1700s and today Ginkgo trees are popular in towns worldwide and are even farmed in plantations for their medicinal properties.

*Ginkgo biloba* has a long history of cultural importance in Asia. Confucius was said to have given his teaching whilst sitting under a ginkgo tree, which is one of the reasons the species is revered in Chinese

tradition. The seeds of this ornamental tree, known as ginkgo nuts, are eaten roasted or in birds' nest soup. *Ginkgo biloba* has been used in Chinese traditional medicine for centuries. Today, it is also cultivated for use in Western medicine. The leaves are used in herbal remedies for cognitive complaints, such as Alzheimer's disease, dementia and vertigo.

The seeds are sown into open gritty compost in the spring. Germination usually takes 8 to 10 weeks in a cool greenhouse, kept frost free (min 5 °c), in natural light. They are planted out in the field when large enough - usually the following spring. After two years the plants can be as tall as 1.5m, at which point they are planted out into their final positions in the garden.
